
The Legal Theory Of Carl Schmitt

2.04 preparing a case theory - lawdiana - thus, the development of a viable theory is the first order of business. a trial is not a presentation of every fact and every remotely possible legal argument . dumping all the facts and law into the jurors' laps will simply overwhelm them and obfuscate the important matters. **legal theory and practice - yale law school legal ...** - legal theory and practice cation. an explanation normally calls for some sort of causal account of a state of affairs. a justification normally calls for a defense of it. many of those who lament the extent to which theory is taught in the law school curriculum offer explanations of the phenomenon that are often cynical. **legal positivism: the leading legal theory in america** - legal positivism in america, 5 department of health, (440 mass. 1201, 802 ne2d 565 (feb. 3, 2004)) when there is historical evidence that it could not have been considered so at any time preceding that decision in america. **feminist legal theory - levin college of law** - feminist legal theory spring 2016 professor laura rosenbury . holland hall, dean's suite. 352-273-0603. rosenbury@law.ufl . overview . in this course, we will read feminist theory, queer theory, and other critical theory in order to examine constructions of gender and the roles legal systems play in those constructions. **international legal theory - school of law** - international legal theory: setting the stage this inaugural issue of international legal theory is the product of the hard work and generous efforts of the founding members of the asil interest group on the theory of international law. this publication wishes to provide a forum for those who conduct research on the theory of international law. **the effect of legal theories on judicial decisions** - theory used to justify or explain those case results could be used to justify or explain the opposite result in each of those cases. tags: legal theory, judicial decisions, speluncean explorers [pg517]** introduction. stanley fish has argued that theory does not constrain practice. legal scholars by now are quite familiar with his argument. **feminist legal theory, feminist lawmaking, and the legal ...** - feminist legal theory, theory has then reshaped practice, and practice has in turn reshaped theory.2 thus, whether the issue is feminist law reform or the gendered structure of the legal profession, feminist legal theory cannot be understood apart from practice. at the same time, the formulation of legal theory has played an integral role in ... **theories of law natural law, legal positivism, the ...** - natural law, legal positivism, the ... thomas aquinas and natural law theory natural law theory like legal positivism has appeared in a variety of forms and in many guises. one of the most elaborate statements of natural law theory can be found in aquinas who distinguished four types of law: eternal, divine, natural, and man-made. ... **masculinities and feminist legal theory** - by the feminism and legal theory project, emory university, and the new legal realism project, a joint venture of the american bar foundation and the institute for legal studies, at the university of wisconsin. the broader issue of the connection between masculinities and feminist theory was the subject of a paper accepted for presentation at ... **the jurisprudence of comparative legal systems** - comparative legal systems disciplines of legal theory. such disciplines include legal anthro-pology, legal history, the sociology of law, and political science, together with the creative discipline of international law, in a study of the very relationship between rules of law and the conception of law. **the anti-essentialism v. essentialism debate in feminist ...** - one can regard feminist legal theory as a sub-category of feminist theory, this debate can have an impact on feminist legal theory as well. by analyzing the anti-essentialism v. essentialism debate and its implications, this article will try to investigate-the approaches that contemporary feminist legal theorists propose for law reform, **legal theory syllabus - scalia law school** - legal theory syllabus tues/thurs 6:00pm-8:40pm prof. pi 1 administrative matters my o ce is 310 in hazel hall. generally, if my door is open, feel free to stop by. you may email me to schedule an speci c time to meet if you prefer. my email address is dpi@gmu. for matters requiring immediate attention, my o ce phone number is (703) 993-8542. **legal theory lexicon 010: deontology - penn state law** - legal theory . lexicon. posts. nonetheless, we can get a glimpse of one of kant's most important ideas, the . categorical imperative. kant believed that duty was the central moral idea, and he recognized the . 2 **legal theory seminar - legalstudiesrkeley** - liberal moral theory, utilitarianism and kantianism. the aim is to identify salient ideas and values that shape legal discourse and inform legal policy. readings . the main text for the seminar is jeffrie murphy and jules coleman, the philosophy of law. i have also ordered another short book: robert paul wolff, in defense of anarchism. **negotiating the jurisprudential terrain: a model theoretic ...** - meaningfully and usefully create a theory or model of legal theory or jurisprudence that helps us answer these questions, or is jurisprudence 4. please note that this paper does not attempt to provide an overarching standard for evaluating legal theory; rather it provides a framework and set of tools for evaluating legal theory. 5. **case theory in a nutshell - benchmark institute** - a case theory is a detailed, coherent, accurate story of what occurred. it must demonstrate that the client is entitled to relief. case theory involves legal theories and factual theories. legal theories are the legal arguments for why each party should prevail -- claims/causes of action or affirmative defenses. **feminism, critical social theory and law** - critical social theory has revolutionized the way that critical legal scholars and, to a lesser extent, mainstream legal scholars think of the most fundamental categories of legal theory. by con-trast, social theory has proven to be far more controversial among feminist legal theorists. **socio-legal theory: social structure and law** - theory of interests and emphasis on social relations of law rather than metaphysics), nevertheless is hardly satisfying in terms of a general theory whereby the law, legal system and

structure can be related to society, societal structure, individuals and groups in society. in the recent study of the sociology of law in germany by raiser **legal theory, legal interpretation, and judicial review** - legal theory, legal interpretation, and judicial review ference between rules and principles? if these common law principles are to differ from legal rules, they cannot be simply holdings in previous case law, for hart's model of rules can surely explain the legal status of preced- ent. **marx, law, ideology, legal positivism - chicago unbound** - marx, law, ideology, legal positivism brian leiter bleiter@uchicago draft of july 12, 2014 for presentation at the university of virginia conference on "jurisprudence and history," sept. 19-20, 2014 please do not cite or quote without permission this essay offers an account of marx's theory of history and his claim that law (and **theory & theme - university of houston law center** - -legal theory -factual theory -persuasive theory •equals case theory . legal theory •the law that entitles you to win -jury instructions -statutes -case law . factual theory •what happened in the case •ways of getting a handle on ... theory & theme author: **a legal theory of shareholder primacy** - itive legal theory explaining the structure of a complex law. the question—what is the law?—has not received sufficient empiri-cal or theoretical analyses. this article contributes to the litera-ture by presenting a complete, coherent theory of positive law of shareholder primacy. this theory explains why shareholder pri- **shirking and sharking: a legal theory of the firm** - distinguishing between firms and markets.6 the legal theory of the firm and its boundaries offered here brings together elements of various eco-nomic theories within a unified framework . my analytic style is the reverse of the usual article in "law and eco-nomics." most law-and-economics scholarship begins with a legal prob- **neoliberalism and the crisis of legal theory** - and why legal theory was marginalized in the wake of critical legal studies and the theory debates of the 1970s and 1980s. despite the volume of work written on the subject and the many anxieties expressed about the (im)possibility of critical legal theory's revival, the narratives of what led to this juncture are deeply conflicted. **the third pillar of jurisprudence: social legal theory** - that every existing legal theory can be squeezed into one of these three jurisprudential approaches; nor do i claim that this is the only way to categorize current theories about law. 14 my claims are more limited: this third theoretical stream constitutes a long-standing **legal theory - wordpress** - legal theory 1 kwa/2010 legal theory the study of law, has taxed the minds of practitioners and theorist alike for many centuries. problems such as law as legislation, law as in the common law, law as in natural law, law as in custom, law as the psychology of human action, and today law as a function of constitutional **a legal theory of finance 1 - columbia law school** - a legal theory of finance1 katharina pistor abstract: this paper develops the building blocks for a legal theory of finance. Itf holds that financial markets are legally constructed and as such occupy an essentially hybrid place **theories of rights - piratepanel** - rationale for the will theory herbert l.a. hart (1907-92), a british legal scholar, is credited with developing the will theory of rights. he cited kant as inspiring his thinking about the importance of human freedom, or liberty. **the future of feminist legal theory** - feminist legal theory. these comments will show why i believe a revi-val of the national conference on women and the law would be a good thing for feminist legal theory. i will also explain why the re-sponsibility for its revival should fall on those of us who participated in the early years, rather than on today's law students. ii. **hans kelsen and his pure theory of law** - american legal theory which can be derived from his writings. born in prague, czechoslovakia, on october 11, 1881, hans kelsen attended the university of vienna and received his doctorate in law there at the age of twenty-five. after a few years of additional study at the uni- **the character of legal theory - cornell law school** - the character of legal theory no reference, explicit or implicit, to the concept of law or to the possi-ble constraints of law's constitutive characteristics. it was from this perspective that george priest claimed that "legal scholarship has be-come specialized according to the separate social sciences" so that a **feminist legal theory and human trafficking in the united ...** - feminist legal theory and human trafficking in the united states: towards a new framework cynthia l. wolken* i. introduction human trafficking is modem day slavery. over the past decade, policy makers in the united states have begun to recognize human trafficking as a distinct act, rather than lumping trafficking into one of **international legal theory - school of law** - trachtman's essay or lead articles for future issues to international legal theory, c/o center for international and comparative law, university of baltimore school of law, 1420 north charles st., baltimore, maryland 21201. we hope to promote the broadest possible discussion and reflection about international legal theory and would be grateful for a **legal theory of shareholder primacy** - 2017 legal theory of shareholder primacy 4 widely accepted.6 however, its legal status remains uncertain even today. this is an unsatisfactory state of knowledge, all the more conspicuous since the field of corporate law has been well developed in law and scholarship. **grounds of law and legal theory: a response** - 316 john finnis i. in my first oxford paper in legal and moral theory, delivered in debate with philippa foot,1 i explored aristotle's theory of central cases and focal meanings a little more fully than i did ten years later in nlnr.hart had said **feminist legal theory: a liberal response** - feminist legal theory, like feminist theory generally, "is extremely diverse, in both premisses and conclusion." 7 what feminist legal theorists have in common is a commitment to three basic claims: (1) that gender is a central category of anal-ysis in law;8 (2) that important aspects of mainstream legal doc- **legal indeterminacy - berkeley law research** - legal theory therefore attempts to provide the right mix of determinacy and indeterminacy. but, singer argues, no existing legal system or legal theory provides

anywhere near the amount of determinacy that is required: legal doctrine is far more indeterminate than traditional theorists realize it is. **connecting positive and normative legal theory** - positive and normative legal theory (and for that matter, political and moral theory, but i will focus on legal theory) often seem radically disjunct; it is sometimes not clear, even in principle, what positive and normative theory have to do with one another. two recurring conceptual problems create this disconnect. **from legal theory to integrative jurisprudence** - theory, the principal purpose will be to elucidate the nature and functions of legal theories. finally, it will be the purpose of this lecture to contrast the realistic theory of criminal law, which professor honig criticizes, with prevailing formal analysis of criminal law and thus to forge a link between legal theory and the **recovering socialism for feminist legal theory in the 21 ...** - legal theory of recapturing the insights of socialist feminism. it describes both the context out of which that theory grew, in the civil rights, anti-war, and anti-imperialist struggles of the 1960s, and the contents of the theory as developed in the writings of certain authors such as heidi hartmann, zillah **"legal theory and practice" development at the university ...** - the legal theory and practice program's political origins and the institutional choices made by maryland's law faculty in conceptualizing and supporting the program. this article suggests ways that linkages between legal "theory" and "practice" may be forged within the context of the courses. **and updated - msr law books** - msrlawbooks© juris-legal theory p t o page 9 it is a type of investigation into the essential principles of law and the legal systems (salmond). it is the science of the first principles of civil law. the legal concepts like contracts, torts or criminal law consist of a set of rules. it has no such legal authority and further it has no practical **legal theory - american** - kline, m. race, racism, and feminist legal theory . crenshaw, k. demarginalizing the intersection of race and sex: a black feminist critique of antidiscrimination doctrine, feminist theory and antiracist politics . olsen, f. statutory rape: a feminist critique of rights analysis . **introduction, special issue: feminist legal theory** - feminist legal theory, gender hierarchy could no longer be justified by women's differences or desires because, in susan bordo's words, "female obedience to the dictates of [dominant gender norms] is better conceptualized as bondage than choice" (bordo, 1993, p. 22). **turning the tables on "law and . . ." : a jurisprudential ...** - turning the tables on contemporary legal theory, i shall ask: what lesson, if any, can "law itself" teach legal theory (including the social, human, and legal sciences) about not only law but also the limitations of these theoretical perspectives? to clarify the question and begin to outline an answer, this essay **i am/i am not: on angela harris's race and essentialism in ...** - legal theory mary anne franks* in 1990, angela harris wrote an article that interrogated the limitations of feminist legal theory. nearly a quarter of a century later, the insights and challenges harris offered in race and essentialism in feminist legal theory continue to reverberate. the
